Manufacturers Represented

Filtration Systems, Media and Parts

- Filters of various types: Serfilco, Mefiag, Slimline, Flo-King
- Filter pumps
- Filter parts for the above makes (Minimum \$ requirements may apply)
- Filter cartridges
- Filter disks
- Filter paper
- Filter bags
- Flo-King pumps, accessories and parts as well as rebuilding available
- Filter presses, cloths and parts for all brands

Pumps and Parts

- Graco, Wilden, ARO, Sandpiper, Yamada and Warren Rupp diaphragm pumps
- Diaphragm pump parts and rebuild kits (\$50 minimum order)
- LaBour, Taber, Dickow, March, Thompson, Little Giant, Iwaki/Walchem, Ransburg and Finnish Thompson
- Brightener feeders pumps: JP Tech, LMI, Pulsafeeder, Pulsatron, Mesa West and Gorman Rupp
- Drum pumps: Lutz, Serfilco, Sethco, Finish Thompson, Galway and Flux
- Drum pump parts for all brands above and rebuilding (Serfilco)
- Penguin pumps and parts
- Sethco pumps and parts
- Industrial grade chemical resistant sump pumps (Perfecta, BJM)

Heat Exchangers

- Serpentine coils
- Grid coils
- Plate coils
- Plate and frame and parts
- George Fischer PVDF nonmetallic heat exchangers and repairs
- Electric heaters, RTD sensors, Fuses and Controls for both Process Technology and Clepco
- Palm heat exchangers and controllers

Miscellaneous

- Wet/Dry Vacs that are chemical resistant
- Turnkey plating lines
- Singleton and Auto Technology salt spray chambers and parts
- Air agitation blowers (Spencer)
- Chillers (Sterling)
- Fiberglass I-Beams for under tank support
- GF Signet items
- Tank Magnets
- Equipment removal and install services

Tanks, Liners and Tank Repairs

- Tanks: poly, steel (lined or unlined), stainless steel, fiberglass, lead and others, custom built
- Molded tanks
- In-house tank repairs poly, rubber and Koroseal
- Drop in flexible tank liners, PVC and Koroseal
- Rigid tank liners

Air Handling and Scrubbing

- Ventilation
- Ventilation repairs
- Fume scrubbers along with repairs and annual, semi-annual, or quarterly Maintenance

Plating Barrels, Spin Driers

- Dangers for plating barrels
- Plating barrels (Hardwood, Singleton and Napco)
- Plating barrel parts for above brands
- Spin dryers (Auto-Technology, New Holland and Desco) and parts
- Baskets of various types: poly, steel and stainless

Waste Treatment

- Filter presses, cloths and parts for all brands
- Waste treatment mixers (Lightnin)
- Waste treatment tanks
- Eco-Tec recovery systems www.eco-tec.com
- Carbolux carbonate, sulfate and chloride removal
- Sludge boxes and bags
- Oil skimming systems of many types

Anode

- Anode bags
- Anode baskets and hooks
- Titanium clad anode bars
- Chrome anodes
- Carbon/Inert anodes

Rectifiers

- Aldonex
- Rapid/Dynapower
- PEC/Udylite
- American Plating Power
- Dynatronix switchmodes
